

A great night...  
is to be had at Gogarty's

*Pub, Restaurant, Accommodation  
Traditional Music & Great Craic*

*Arranged over 3 floors across 2 of Temple Bar's oldest buildings, there is the pub, a music hall upstairs, a fine restaurant above that. Next door, there is another bar, different in style a little quieter, but with the same warm welcome that you'd expect from an Irish pub.*
